Location

The property is located on the newly established Chancerygate Business Centre within the Bletchley area of Milton Keynes. The property sits alongside Watling Street, itself a main arterial road through the region and is also very close to the main A5 trunk road which in turn links through to the M1 motorway. The immediate location has seen a considerable amount of new development in recent years including retail parks, food stores, motor dealerships and the Dons stadium.

Description

The property is the end unit of a terrace of similar buildings based on a steel portal frame construction with all elevations and roof covering being clad with modern curtain walling systems/insulated panels. The building has been designed to be energy efficient and even has its own wind turbine mounted upon the roof. Originally the building would have provided ground floor warehouse with stairs rising to upper floor offices with windows across the front elevation. Subsequent to the original build planning consent was obtained for the creation of additional ground floor offices, a layer of "mezzanine offices", and an extension to the original first floor offices. This has led to the high percentage of office space within the premises.

The property currently has 4 dedicated car parking spaces within the Freehold Title, however, the planning consent referred to above dictates that 2 additional spaces within the curtilage of the site. At the date of these particulars these have not yet been created. Furthermore, 3 of the 4 dedicated car parking spaces, whilst within the Freehold Title, are accessed over third party land to which the Vendor has no access.

The interior of the office has been fitted out to a high standard and an internal inspection is strongly recommended. Interested parties should note that much of the furniture within the premises is held on finance and is expressly excluded from the sale of the Freehold interest. The furniture may, however, be available for purchase subject to agreement from the finance company/companies and/or the Liquidator.
