

Lot No.	Description
1	2010 Amada Quattro 2kw laser cutter XYZ = 1260 x 1260 x 100mm. Serial no. 00444653. Fanuc Series 16i-L control. Amada Fanuc AF-2000E model C200 type A04B-0813-B311 oscillator, serial no. L10120698 - 2010, BWS 3 phase, 415V, 2 x 200v output transformer. 2010 Donaldson Torit DCE model DFPR04 - SPRK dust extractor, serial no. 60100760. 2010 I.C.S Tricool Thermal model S2/50AMS chiller, serial no. 03326 (2010). Manual hydraulic loading trolley and manuals
2	2015 Atlas Copco model GA5FF packaged rotary screw compressor on 270 litre receiver, 7.25bar. Serial no. CA1720628. With 3 highline HF50 inline filters, High-zorb twin power absorbent dryer, serial no. 1007SP0105 2010
3	Wilkins and Mitchell type H84.2.20 400 ton double column mechanical power press, platen 84 x 48in, max/min shut height 36/16ins, 20ins stroke, cushion stroke 10ins, mechanical guards. Works no. 1641 (P37)
4	British Clearing type F2450-84 450 ton double column mechanical power press, platen 84 x 48in, shut height 31ins, stroke 18ins, slide adjustment 18in, cushion stroke 10in, mechanical guards. Serial no. 49 BR-CP485 (P39)
5	CMC Clearing type E-1500-42T 500 ton double column mechanical power press, platen 42 x 40in, stroke 8in, slide adjustment 6in, SPM 35, shut height 16.75in, front pneumatic sliding guard. Machine no. 092-5310 (P35). Serial no. 39-3939
6	Taylor & Challen type 5.5 TDP no. 40 double sided double action power press, platen 30 x 30in, mechanical guards (P40)
7	HME 100 ton static geared power press with adjustable stroke up to 5in, platen 40 x 30in fitted Powerair 300mm pneumatic strip feed unit (P25)
8	BHP 150mm strip levelling feed unit
9	Adjustable spindle vertical decoiler stand with disc brake
10	Bliss No. 6200-A 200 ton double sided mechanical power press, platen 48 x 32in, max daylight 22in, max shut height 18.5in, slide adjustment 3in, stroke 3.5in, fitted 2005 Formit model PP41 450mm strip feed unit. Serial no. F5845 (P36)
11	Wyko/BHP combined 400mm strip decoiler/leveller. Serial no. CN9111
12	Taylor & Challen type 1410 No. 2 350 ton double sided mechanical power press, platen 65 x 55in, shut height max/min 16/19 3/8in, 20in stroke, max daylight 39in, slide adjustment 3.5in, mechanical guards (P29)
13	Taylor & Challen type 1373 No. 3 200 ton double sided mechanical power press, platen 65 x 55in, min shut height 18in, mechanical guards (P28)
14	Wilkins and Mitchell type C66-2-10 150 ton double sided mechanical power press, platen 66 x 40in, shut height max/min 22/16in, slide adjustment 6in, 10in stroke, cushion stroke 5in, 15 SPM. Works No. 50 258 (P27)
15	Bliss type No. 5S 200 ton double sided double action mechanical power press, platen 42 x 36in, mechanical guards (P26)
16	Taylor & Challen type 4.5 TDP No. 197 75 ton double sided double action mechanical power press, platen 21 x 22ins, mechanical guards (P6)
17	HME type DCP-6 150 ton double sided mechanical power press with adjustable stoke, platen 52 x 40in, slide adjustment to 4in. Serial no. 14727 (P33) (part dismantled)
18	HME/Cincinnati Milacron type OP 100ton static geared power press with adjustable stroke 1-5in, platen 40 x 29in, mechanical guards. Serial no. 18769 (P8)
19	HME/Cincinnati Milacron type OP 100ton static geared power press with adjustable stroke 1-5in, platen 40 x 29in, mechanical guards with die cushion. Serial no. 16734 (P7)

20	HME/Cincinnati Milacron type OP 100ton static geared power press with adjustable stroke 1-5in, platen 40 x 29in, mechanical guards with die cushion. Serial no. 18462 (P10)
21	HME type OP 100ton static geared power press with adjustable stroke 1-5in, platen 40 x 29in, mechanical guards with die cushion. Serial no. 19290 (P11)
22	HME type OP 100ton static geared power press with adjustable stroke 1-5in, platen 40 x 29in, mechanical guards. Serial no. 14835 (P2)
23	Butterley 100 ton static geared power press with adjustable stroke 1-5in, platen 32 x 25in, mechanical guards, die cushion. Serial no. P8205 (P13)
24	Butterley 75 ton inclinable geared power press with adjustable stroke 1-5in, platen 32 x 34in, mechanical guards. Serial no. 90221 (P14)
25	HME type OP 75 ton inclinable geared power press with adjustable stroke 1-5in, platen 35 x 24in, mechanical guards, die cushion. Serial no. 7759 (P5)
26	Butterley 60 ton inclinable geared power press with adjustable stroke 1-5in, platen 30 x 19in, mechanical guards. Serial no. R8727 (P17)
27	Rhodes type RF 200 ton static geared power press with adjustable stroke 1-6in, platen 46 x 38in, die cushion, mechanical guards (P16)
28	Cressex model No. 2 30 ton inclinable power press with adjustable stroke, platen 19.5 x 16in, mechanical guards. Serial no. 1492 (P55)
29	HME type L40GRD 40 ton inclinable geared power press with adjustable stroke 17/32 - 4 1/32in, platen 29.3 x 19.5in, mechanical guards. Serial no. 7681 (P54)
30	Sweeney & Blocksidge type No. 12 50 ton inclinable geared power press with adjustable stroke, platen 30 x 22in, mechanical guards. Machine no. 7503 (P57)
31	Butterley type 5D 40 ton inclinable power press (part dismantled and parts missing). Serial no. R8730 (P18)
32	Sweeney & Blocksidge type No. 952 30 ton inclinable power press with adjustable stroke, platen 27 x 22in, mechanical guards (P23)
33	Sweeney & Blocksidge type No. 952 30 ton inclinable power press with adjustable stroke, platen 27 x 22in, mechanical guards (P22)
34	Sweeney & Blocksidge type 12 50 ton inclinable geared power press with adjustable stroke, platen 30 x 22in, mechanical guards. Serial no. 6912 (P9)
35	Morgan No. 8 fly press and steel stand (P305)
36	Sweeney & Blocksidge fly press 6" throat and angle steel table (PH1)
37	BHP coil strip leveller capacity 150 x 3mm (SR324)
38	Richmond model Envoy 60in radial arm drill fitted Instabrake, speeds 40 - 1850rpm, cast iron box table 30 x 23 x 22in. Serial no. 100/0102/00074
39	Pratt Bros 72 x 1/8in mechanical guillotine
40	Edwards model 3.25/12SODD mechanical guillotine capacity 1255 x 3.25mm. Machine no. 73C/36603
41	Pearson 96 x 1/8in hydraulic guillotine with power back gauge. Machine no. 5042/8
42	Herbert No. 2D capstan lathe, collect chuck. Serial no. 50 - 12622
43	Canning 2HP double ended polishing spindle
44	Kingsland model J14 type A universal ironworker. Serial no. 88178
45	Salter model 299 2 ton/2000kg dial crane scales
46	Aberlink Axiom CMM co-ordinate measuring machine table 750 x 860mm, Renishaw MIP probe, PC and manuals

47	Kemco Measuring Systems model mini 500mm digital height gauge, pneumatic operation with separate controller
48	Granite surface table 1220 x 915 x 150mm on box steel stand
49	DOC Derby Optical Co. profile projector, glass screen 680 x 500mm
50	7 drawer steel tooling cabinet
51	Excell model FJ2 digital crane scales 7500 x 10kg
52	Waagen model KPZ 402 electronic crane scales 3000 x 1kg with charger
53	Cast iron surface table 1840 x 910mm
54	Invicta model 24in Major shaper fitted 10in swivel machine vice. Serial no. BEC2325/1
55	Black & Decker 10in double ended pedestal tool grinder
56	Pollard model 150/A/1 pedestal drill, speeds 86 - 1920rpm power down feed. Machine no. 31410A
57	Colchester Bantam centre lathe 5.5 x 16in, speeds 36 - 800rpm, fitted 8in 4 jaw chuck, 11in faceplate. Machine no. FAA10183
58	WMW Niles centre lathe 330 x 1200mm fitted 455mm 4 jaw chuck, speeds 45 - 1120rpm. Serial no. 152.0019.11
59	Cincinnati model 205 - 12 M.I.UNIV.LL universal miller, table 61 x 12in, 6in swivel machine vice, V-spindle speeds 75 - 1150rpm, 17 speeds, 25 - 1500rpm, range of arbors, milling cutters. Serial no. 2J23U5PI - 27
60	Startrite model 20RWF vertical bandsaw, table 21 x 21in, throat 20in, fitted ideal blade welder. Serial no. 25782
61	62 drawer steel cabinet with contents of dies, punches and springs
62	Arcofil type 250 amp MIG welder. Serial no. 9494S
63	Sweeney & Blocksidge fly press and angle steel table
64	Oxford model RT110 amp portable arc welder. Serial no. 622736
65	Steel bench, 2 x Record 150mm vice, range of taper shank drills, punches, dies, springs and 3 drill chucks
66	Osromidjet model Roto Finish vibratory parts finisher tank 14 x 7 x 7in
67	RSA type Rasamax ST. Machine no. STR15CB (P53) and Esta OM12 dust collector unit
68	No Lot
69	No Lot
70	Tipping skip fork truck attachment
71	Tipping skip fork truck attachment
72	Tipping skip fork truck attachment
73	Leonard tipping skip fork truck attachment
74	Leonard tipping skip fork truck attachment
75	Leonard tipping skip fork truck attachment
76	3 tread steel mobile access steps
77	3 tread steel mobile access steps
78	4 tread steel mobile access steps
79	3 tread steel mobile access steps
80	Steel cabinet with contents of universal ironworker dies and punches
81	BT Lifters Rolatruc hydraulic pallet truck
82	Denbigh No. 4 fly press and angle steel bench
83	Sweeney & Blocksidge fly press and angle steel table

84	Hydraulic scissor lift loading platform 3000 x 1500 x 1300mm
85	NBC - Series 9000 380 amp MIG welder with Butters Pro-Feed wire feed unit. Serial no. 3383340318
86	10 portable welding screens, each 1500 x 2000mm
87	Nederman wall mounted welding fumes extractor with 2 articulated booms and flexible ducting
88	Nederman wall mounted welding fumes extractor with articulated boom and flexible ducting
89	NBC 300amp MIG welder with separate wire feed unit
90	Nederman wall mounted welding fumes extractor with articulated boom and flexible ducting
91	Nederman wall mounted welding fumes extractor with articulated boom and flexible ducting
92	Suga model STM-2 chucking auto. Serial no. 18 - 735
93	Suga model STMG-2 chucking auto. Serial no. 18 - 7045
94	Sweeney & Blocksidge bridge type fly press
95	H Griffin & Co platform (sunk in floor) dial scales to weigh 375kg x 500g
96	TCM model FTB18S2/1.75 1400kg electric fork lift truck, sideshift, solid tyres, lift to 4350mm, with charger. Serial no. 9372B00172
97	Caterpillar model M100 10000lb electric fork lift truck, sideshift, solid tyres with charger. Serial no. Z55B00270
98	2002 Linde model E16C-02 1600kg electric fork lift truck, sideshift, solid tyres, lift to 4000mm with charger. Serial no. H2X335N04780
99	2002 Heli model FB18 1800kg electric fork lift truck, sideshift, solid tyres, lift to 3500mm with charger. Serial no. R10498
100	2007 Heli model HFG25 2500kg LPG fork lift truck, sideshift, solid tyres, lift to 5000mm. Serial no. 0302038099
101	1995 Atlas Copco model GA55 packaged compressor, 7.5bar, 55kw. Serial no. AIT455662
102	2007 HPC/Kaeser model BSD72 packaged compressor, 8 bar, 37kw. Serial no. 1721
103	1996 Flair model DDA-135 compressed air chiller/dryer. Serial no. 9607298 and 2 vertical air receivers and 2 inline filters
104	Fork truck crane lifting jib attachment SWL 1000kg
105	Leonard tipping skip fork truck attachment
106	Fork Truck snow plough attachment 1750mm
107	Salter platform floor scales approximately 3000kg 1220 x 1220mm with Salter model 8251 remote counting electronic scales. Serial no. 1243
108	6 tread steel access steps
109	Sweeney & Blocksidge fly press and angle steel table
110	Sweeney & Blocksidge deep throat fly press and angle steel table
111	WF Hadley No. 3 Super fly press and angle steel table
112	Norton No. 4DB fly press and angle steel table
113	Sweeney & Blocksidge fly press and angle steel table
114	Sweeney & Blocksidge fly press and angle steel table
115	No. 2A DB fly press and angle steel table
116	F.J. Edwards 30in manual folder
117	11 drawer steel tooling cabinet

118	Morgan 73in manual folder
119	BOC model Transmig 180amp MIG welder with integral wire feed unit
120	NBC model 275amp MIG welder with NBC wire feed unit
121	Pearson 10ft 3in x 100 ton hydraulic downstroke press brake, light guards. Serial no. 697908/2
122	Meritus 15kva spot welder, water cooled with pump and tank. Serial no. 24016
123	Sweeney & Blocksidge No. KPCI treadle action toggle press
124	Holden & Hunt 5kva spot welder, water cooled. Serial no. 8879
125	British Federal 25kva spot welder pneumatic head, water cooled with pump and tank. Machine no. 25423
126	British Federal 50kva spot welder pneumatic head, water cooled with pump and tank. Machine no. 19406
127	Tipping skip fork truck attachment
128	Leonard tipping skip fork truck attachment
129	Henrob hydraulic riveter with separate power pack
130	Sealey model SM100 belt linisher 100 x 300mm
131	H.R. pneumatic assembly jig
132	4 HR pneumatic assembly jigs
133	Sweeney & Blocksidge deep throat fly press and angle steel table
134	Sweeney & Blocksidge fly press and steel stand
135	Desoutter Pneumair drill, pneumatic press both mounted on steel bench
136	Bifurcated and Tubin pedestal riveter, 20in throat
137	Semi automatic rotary welding cell, 16in rotary table, cabinet, pneumatic infeed and clamping, Nederman fumes extractor (welding torch excluded - part Lot 138)
138	NBC 300amp MIG welder, Butters wire feed unit with lead to bulk wire container
139	Migatron model Migman 385 amp MIG welder, integral wire feed with lead to bulk wire container
140	2 rotary welding jigs with Nederman fumes extractor, flexible ducting and extractor hood (MIG torch belongs to Lot 139)
141	Norton No. 3S fly press with angle steel table fitted 5in leg vice
142	Denbigh No. 6 fly press and angle steel table
143	Electac portable welding fumes filter with articulated boom, flexible hoses and Nederman fumes extractor
144	Meddings model MB4H9 16mm bench drill, speeds 80 - 4800rpm. Serial no. 53470/M8
145	Astra 16mm bench drill speeds 350 - 2500rpm
146	Pollard pedestal drill speeds 86 - 1920rpm
147	British Federal 25kva spot welder pneumatic head, water cooled with pump and tank. Machine no. 25420
148	PJ Hare type 5BS 5 ton hydraulic power press. Serial no. 6181
149	Ingersoll Rand model EN2B15B Euro 10 single cylinder compressor on 900mm receiver. Serial no. HG848372 3 phase
150	Sweeney & Blocksidge No. fly press and angle steel bench

151	Apex 3 tonne overhead gantry crane with pendant control, Electrolift cable hoist, approximate span 10m, height under crossbeam 3.26m including 12 uprights and 39m track
152	J Barnsley 5 tonne overhead gantry crane with pendant control, approximate span 9.3m, height under crossbeam 4.3m, 5 uprights and 15m track
